

AP INTEGO

Worker's Compensation

Pay as you go payroll option

About · Us

We believe in speed and efficiency to achieve the highest level of customer service. The foundation of our business relies on our insurance experience and expertise. We take the pain out of a traditionally difficult process and we simplify the experience of obtaining insurance coverage for small and medium sized businesses.

At AP Intego we combine all traditional licensing, sale and service capabilities of a national brokerage with the passion and pursuit of using technology to make insurance product acquisition simpler and more efficient for our customers. As a national leader in providing businesses pay as you go- billing options, our team will help you find the coverage you need and seamlessly integrate the billing process with payroll deduction. We have long understood the insurance needs of business customers and are focused on redefining the evolving needs of every stakeholder in the process.
